The members of

(Practice/Institution named here)

state they have pledged to “**image gently.**”

In doing so, they pledge:

- to make the *image gently* message a priority in staff communications this year
- to review the protocol recommendations and, where necessary, implement adjustments to practice processes
- to respect and listen to suggestions from every member of the imaging team on ways to ensure changes are made
- to communicate openly with parents

The Alliance for Radiation Safety in Pediatric Imaging thanks those who commit to the goal to “**image gently**” in the imaging of children. Spread the word in your department, practice, hospital or clinic.
